

What is claimed is:

1. A honey extender comprising:
  - a) at least about 7.0% by weight oligosaccharide;
  - b) at least about 60.0% by weight corn syrup having a D.E. of at least about 36; and
  - c) water

wherein weight percent is based on total weight of the honey extender.

2. The honey extender according to claim 1 wherein the honey extender comprises from about 7.5 to about 18.0% by weight oligosaccharide.
3. The honey extender according to claim 1 wherein the honey extender comprises from about 65.0% to about 95.0% by weight corn syrup.
4. The honey extender according to claim 1 wherein the corn syrup has a D.E. from about 36 to about 48.
5. The honey extender according to claim 1 wherein the corn syrup has a D.E. from about 40 to about 44.
6. The honey extender according to claim 1 wherein the honey extender comprises from about 30.0% to about 40.0% by weight glucose, and from about 40.0% to about 50.0% by weight fructose.
7. The honey extender according to claim 1 wherein the honey extender comprises less than 3.5% by weight maltose.
8. The honey extender according to claim 1 wherein the honey extender comprises from about 1.75% to about 2.25% by weight maltose.

9. The honey extender according to claim 1 wherein the honey extender is from about 20.0% to about 25.0% by weight water.
10. The honey extender according to claim 1 wherein the honey extender is free of viscosifier and non-nutritional sweetener.
11. A honey comprising composition comprising:
  - a) honey; and
  - b) honey extender comprising:
    - (i) at least about 7.0% by weight oligosaccharide, based on total weight of the honey extender;
    - (ii) at least about 60.0% by weight corn syrup having a D.E. of at least about 36, based on total weight of the honey extender; and
    - (iii) water.
12. The honey comprising composition according to claim 11 wherein the composition comprises from about 10.0% to about 50.0% by weight honey, based on total weight of the honey comprising composition.
13. The honey comprising composition according to claim 11 wherein the composition comprises from about 20.0% to about 30.0% by weight honey, based on total weight of the honey comprising composition.
14. The honey comprising composition according to claim 11 wherein the composition does not display sugar crystallization at ambient temperature for at least about three years.
15. The honey comprising composition according to claim 14 wherein the composition has substantially the same taste as honey.
